## KOSCIUSZKO AUTOMOTIVE MONARO STAGES 2018 STATE EVENT OF THE YEAR

With a number of high quality events taking place in NSW, including the 2018 Red Rooster Sydney Supernight 300, the State Event of the Year for 2018 was awarded to the Light Car Club of Canberra's Monaro Stages. The event which acts as the MTA NSW Rally Championship's season finale, has quickly cemented itself as a must attend event due to the professionalism of the event's organisers, as well as the challenge the stages themselves offer to competitors.

## SPORTSPERSON OF THE YEAR ANDREW PENNY – KOSCIUSZKO AUTOMOTIVE

Our sponsors for the Kosciuszko Automotive Monaro Stages are Andrew & Georgina Penny – owners of Kosciuszko Automotive in Jindabyne.

In Australia Day Awards, Andrew was awarded Sportsperson of the Year for the Snowy Mountains Monaro Region. ## SPECTATOR INSTRUCTIONS

Welcome to the Monaro once again. This year's event follows a similar route to last year with excellent shire stages flowing into stages in Coolingubra State Forest, hopefully without the rain this year which brought about the early termination of the event in 2018

The roads are in excellent condition, with the open shire roads and more technical forest sections incorporated to give a wide variety of road types and surfaces

Spectator points are provided to give spectators the opportunity to see the cars in action up close. These are the only designated spectator points for the event

There are some rules that spectators must follow, both for your safety and for your enjoyment of the event.

(see below)

- **Spectators must follow the instructions of spectator officials at all times**
- **Spectators must remain in the designated spectator area and behind fences & bunting tape at all times**
- **Spectators must follow the designated spectator path when accessing and leaving the spectator area at all times**

Again we welcome you to the event and hope that you will enjoy the inaugural running of the Monaro Stages.

Our thanks again also to Andrew & Georgina Penny from Kosciuszko Automotive for their sponsorship and support for the Monaro Stages again in 2019.
