

## Remote Refuel Advice Delivery Service to Refuel Locations

RETURN ADVICE FORM AT YOUR EARLIEST CONVENIENCE  
DEADLINE – THURSDAY 17TH OCTOBER 2019 @ 6PM

### Information

Monaro Stages is providing a fuel delivery service for the 2019 event. (as we have done in the past)  
Our preference is that all competitors utilise the fuel delivery service, however directions to the refuel points will be provided in Service Instructions for those crews wishing to refuel their own vehicles.  
This is to give our delivery drivers an idea of what load they will be carrying and also gives us a reference list of crews using the service to help with the general logistics for the event.  
Please complete the advice form and return it to [monarostages@gmail.com](mailto:monarostages@gmail.com) at your earliest convenience.  
No later than Thursday 17th October 2019 - 6pm deadline.  
Thank you for your help in organising our refuel delivery service.  
Even if you do not require to use the fuel delivery service - please reply with a No response.

### Crew Details

Drivers Name:

Car Number:

State Event:  
(10 stages)

ClubmanEvent:  
(8 stages)
