COVID19

The concessions and restrictions placed by the NSW Government on movement and activities during the COVID19 Pandemic are extremely fluid in nature. There is a strong possibility the measures needed to be taken by individuals and organisations may be significantly different between the date these Supplementary Regulations are published and the date of the event. It is therefore necessary the Event Website, Event Facebook Page, Rally NSW Website, Rally NSW Facebook Page be monitored for Bulletins and variations to the Supplementary Regulations prior to the event.

Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense of smell.

Under no circumstances should anyone attend the event if they have been;

- i. **overseas in the previous 14 days; or**
- ii. **in contact with someone who has been overseas in the previous 14 days; or**
- iii. **in contact with a known COVID-19 positive case in the previous 14 days.**

It is highly recommended that if any participant exhibits symptoms consistent with COVID-19 prior to the event then the individual should take a COVID-19 test through NSW Health or their regular Doctor.

Motorsport Australia strongly encourages the use of the Australian Government's 'COVIDSafe App' for all event participants.

Many administrative and operational processes for the event may be very different to what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read these Supplementary Regulations closely and in the lead up monitor for any applicable changes that may be made to the event as they become available.
