

## Drivers Briefing for 2020 National Patios ACT Khanacross Series

### Round 2 – 19<sup>th</sup> September 2020

Welcome to our the second Khanacross for the 2020 season. Not only have we had to deal with COVID-19 restrictions, but the wet weather last month also hindered our ability to run.

Please read this Drivers Briefing prior to the event. In accordance with our COVID-19 plan we will not have an in-person drivers briefing or presentation.

#### Temperature Screening

When you arrive on Saturday, **and before you enter the grounds**, you will be required to undergo a temperature screening. This is compulsory and NOT NEGOTIABLE. Helen McLean / Geniene Webster is our nominated Judge of Fact for this procedure.

Temperature Screening will be conducted by the use of non-contact (i.e. Infra Red) Thermometer or by the use of FLIR Thermal Imaging Camera, designed for checking a person's temperature by non-contact means. This is usually conducted by measurement of the temperature at the persons forehead.

Before you arrive please ensure you:

- Avoid strenuous physical activity prior to screening
- Remove hats or other head coverings (as necessary) and wait 10 minutes before screening
- Do not drink, eat, prior to the screening – i.e. avoid hot foods etc.
- Before taking a measurement, remove dirt or hair from the forehead area. Wait 10 minutes after cleaning before taking measurement.
- Remove any sweat with a dry cloth prior to measuring.
- Avoid any cooling or warming cloths on the forehead for at least 30 minutes prior to measurement.
- Do not have temperature measurements taken over scar tissue, open sores or abrasions.

#### Temperature Result Interpretation

- 37.4°C or less - the individual is deemed **not** to be having or showing the symptoms of a fever (febrile).
- 37.5°C or more - the person is defined as having a fever.

If the temperature reads 37.5°C or greater, you will be advised of the result and that the matter is now a COVID-19 Health and Safety issue. The Clerk of the Course will be notified immediately by the person conducting the screening (Judge of Fact), and the Clerk of the Course will act to ensure that person judged to have not met the temperature screening requirement is withdrawn from the event on Medical grounds.

The person's name, contact number and team/role must be recorded on the necessary event attendance register. These details may be required to be shared with relevant authorities as a Health and Safety issue.

#### Motorsport Disclaimer

When you attend the event on Saturday, **[you must bring with you a signed Motorsport Australia Disclaimer](#)** (attached). Every person in your vehicle must have a separate signed disclaimer, whether they be competitor or official. This will be handed to our official **AFTER** you have passed your temperature screening.

#### Course Maps

Please see the attached maps. **[You will need to print these and bring them to the event.](#)** They will be best printed in colour and on A4 paper.

#### Food at the Venue

A BBQ will be provided at the event. Please follow the their COVID-19 instructions/directions when purchasing food.

## **Documentation**

While all entries have been submitted online, it will still be important for the Secretary of the Event to sight your licences and Club Membership Card. Please follow the instructions at the event to follow safe COVID-19 guidelines and remember to bring them to the event.

## **Hand Sanitiser**

All competitors are required to bring their own hand sanitiser and practice frequent hand washing throughout the day.

## **Scrutineering**

The Chief Scrutineer will be responsible to ensure the safety of your vehicle. As all entries have provided self-declarations regarding scrutineering, spot scrutineer checks can still happen. If this happens, you must allow the scrutineer to view your vehicle and adhere to COVID-19 guidelines. The scrutineer will then provide the Secretary with the documentation of your vehicle.

The main thing to remember is, if you feel unwell BEFORE the event – please do not attend. There will be future events you can enter, but attending when you are unwell puts others at risk. If at any time DURING the event, you become unwell, you must notify the Clerk of Course immediately for isolation and assessment. This is for your safety and others.

**You will be required to acknowledge and state that you understand all of the details below, with a reply to email [khanacross@lightcarclub.org.au](mailto:khanacross@lightcarclub.org.au) BEFORE the event on Saturday.**

Thanks so much for your entry and we look forward to seeing you on Saturday.

Peter Stringfellow

Clerk of Course
