

Permit No: 112/3110/01

12th October 2020

Further Regulations – No 4

Amendment to Supplementary Regulations Article 13 a) – Temperature Screening

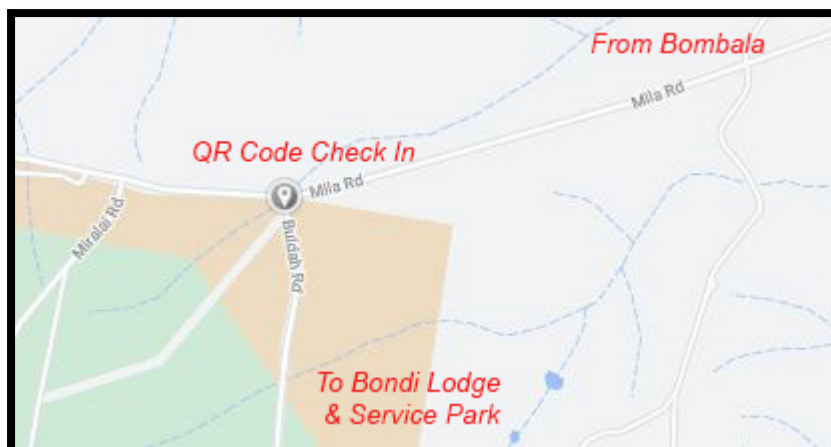

13 a) Temperature Screening

2020 Monaro Stages now has a Service NSW QR code which will be used to ensure contactless check-in to Monaro Stages event precinct, service park and all areas associated with the event.

All attendees are to download the Service NSW App and/or QR scanner app on your phone before you arrive so this process is quick and painless. This is the preferred method of check in.

If you have a phone that will not support this application, we have facilities at the check-in point that will capture your information.

QR Code Check In point is located at the corner of Mila Road and Buldah Road as indicated in the map below. All attendees are required to check in at this point and will be issued with a wrist band that must remain on their person for the duration of the event.

Temperature Screening is not mandatory, however random temperature screening for crews, service crews and officials will be conducted throughout the day. Temperature screening checks may be done:-

- Start & Finish of the event
- Service Park area
- Rally HQ and Bondi Forest Lodge area

As per article 3.10 – MIV/Medical personnel and Covid-19 Safety Officer are Judges of Fact of the Medical Condition of Crew, Service Crew and Officials.

And further have been appointed as Judges of Fact with respect to temperature screening.

- MIV/Medical – Jeff Woods Motorsport Services
- Covid-19 Safety Officer – Geniene Webster

End of Further Regulation

Kim Winks

Clerk of Course
