Further Regulations – No 6

Amendment to Supplementary Regulations Article 6.1 Scrutineering

Relevant COVID-19 practices, including the use of disposable gloves and social distancing, are to be observed by all parties at scrutineering where appropriate.

Each competitor must have their vehicles scrutineered by a current licenced Motorsport Australia Rally Scrutineer in the timeframe as indicated in Section 1, Event Programme and have completed the Scrutineers Report – Road/Rally and Vehicle Log Book using relevant COVID-19 safe practices. The scrutiny document can be found at [Scrutineers Report - Road/Rally](#)

The only documents required to change hands are the Scrutineers Report and Vehicle Log Book, which will be completed by the Scrutineer and returned to the competitor/entrant using relevant COVID-19 safe practices (eg use of disposable rubber gloves).

Each competitor must complete and sign the “Self-Scrutiny Checklist” and “Self-Scrutiny Statement of Vehicle Compliance” forms for Documentation. These two documents can be found at [2020 Kosciuszko Automotive Monaro Stages Documentation](#) .

Safety apparel compliance and dates will be also observed under social distancing requirements by the Scrutineer.

Each competitor must submit, with the Self Scrutiny Checklist, photographs of the apparel and apparel compliance labels (helmet, FHR, suit etc. where applicable) to be worn at the event by the driver and co-driver/navigator.

The use of these forms negates the need for the Scrutineer to touch or enter the vehicle and only external visual checks are required. It is the responsibility of the competitor/entrant to ensure compliance to safety and eligibility.

Due to limited mobile coverage in some areas of the event location, competitors are required to have a UHF radio in the competition vehicle (minimum 5 watts)

At Scrutineering each competitor must present:

- “Self-Scrutiny Checklist” and “Self-Scrutiny Statement of Vehicle Compliance” forms
- Vehicle Log Book
- Helmets for both crew members
- All safety apparel including frontal head restraints for both crew members
- The car in a “ready to rally” condition, including driving lights (if they will be used) and UHF Radio as above.

Competitors are required to submit all documents (scanned copies) as above via email to monarostages@gmail.com including:-

- Scrutineers Report & Logbook
- Self Scrutiny Checklist with apparel images
- Self Scrutiny Statement of Vehicle Compliance

The organisers have provided a limited timeframe to scrutineer some vehicles at the event. Any competitor who is unable to be pre-event scrutineered is asked to contact the Clerk of Course as early as possible to secure a time at the event.
