Blue Range Rallysprint – Supplementary Regulations

1. COVID-19 Statement

The concessions and restrictions placed by the ACT Government on movement and activities during the COVID-19 Pandemic are extremely fluid in nature. There is a strong possibility the measures needed to be taken by individuals and organisations may be significantly different between the date these Supplementary Regulations are published and the date of the event. It is therefore necessary that the Event Website, Event Facebook Page are monitored for Bulletins and variations to the Supplementary Regulations prior to the event.

Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense of smell.

Under no circumstances should anyone attend the event if they have been;

- overseas in the previous 14 days; or
- in contact with someone who has been overseas in the previous 14 days; or
- in contact with a known COVID-19 positive case in the previous 14 days.

It is highly recommended that if any participant exhibits symptoms consistent with COVID-19 prior to the event then the individual should take a COVID-19 test through ACT Health or their regular Doctor.

Motorsport Australia strongly encourages the use of the Australian Government's 'COVIDSafe App' for all event participants.

Many administrative and operational processes for the event may be very different from what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read these Supplementary Regulations closely and in the lead-up monitor for any applicable changes that may be made to the event as they become available.

Social distancing and other COVID-19 practices must be observed at all times.

2. Message from the Clerk of Course

It is with great pleasure to be able to bring another Blue Range Rally Sprint event to life and to be able to host it back in our usual timeslot of March. Let's forget about last year and look forward to the future. This year's Blue Range is the same much-loved format however we have expanded the roads and changed the stages. It should be a great event. I look forward to seeing you on Saturday, 6th March 2021.

Cheers
Team Blue!

Warning Applicable in Relation to Motorsport Activities Held in Victoria

Warning Under The Australian Consumer Law and Fair Trading Act 2012:

Under **The Australian Consumer Law (Victoria)**, several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to me:

- are rendered with due care and skill;
- are reasonably fit for any purpose which I either expressly or by implication, make known to the supplier; and
- might reasonably be expected to achieve any result I have made known to the supplier.

Under section 22 of the **Australian Consumer Law and Fair Trading Act 2012 (Vic)**, the supplier is entitled to ask me to agree that these conditions do not apply to me. I understand that if I sign this form, I am agreeing that any rights to sue the supplier under the **Australian Consumer Law and Fair Trading Act 2012** if I am killed or

Blue Range Rallysprint – Supplementary Regulations

injured because the services were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.

Note: I note that the change to my rights, as set out in this form, does not apply if my death or injury is due to gross negligence on the supplier's part.

"Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the **Australian Consumer Law and Fair Trading Regulations 2012** and section 22(3)(b) of the **Australian Consumer Law and Fair Trading Act 2012**.

Warning Applicable in Relation to Motorsport Activities Held in South Australia

Under sections 60 and 61 of **The Australian Consumer Law (SA)**, if a person in trade or commerce supplies you with services (including recreational services), there is a statutory guarantee that those services:

- will be rendered with due care and skill; and

- any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve, (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services).

Excluding, Restricting or Modifying Your Rights:

Under section 42 of the **Fair Trading Act 1987 (SA)**, the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify their liability for any personal injury suffered by you or another person for whom, or on whose behalf, you are acquiring the services (a third party consumer). If you sign this form, you will be agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.

Important:

You do not have to agree to exclude, restrict or modify your rights by signing this form. The supplier may refuse to provide you with the services if you do not agree to exclude, restrict or modify your rights by signing this form.
